Missing definition: If something is missing , it is not in its usual
place, and you cannot find it. | Meaning, pronunciation, translations
and examples

Missing definition and meaning | Collins English Dictionary
When we say “something is missing in my life” – it can also mean
people who encourage us and bring out the best in our journey. This
doesn't mean I want to surround myself with yes-men (or yes-
women) or people who will never challenge my point of view.
