A mission patch

# Acces PDF Space Mission

**Patches** is a cloth reproduction of a spaceflight mission emblem worn by astronauts and other personnel affiliated with that mission. It is usually executed as an embroidered patch. The term space patch is

to an emblem  
designed for a  
manned space  
mission.

## **Mission patch - Wikipedia**

Lion Brothers  
was never  
utilized by NASA  
for mission  
patches, though  
contractors

# Acces PDF Space Mission

Patches  
apparently  
procured patches  
from them. A  
standing  
contract was  
executed between  
NASA and AB

Patches flights.  
These so-called  
flown patches,  
where the  
provenance can  
be verified,  
fetch  
significant sums  
- obviously the  
more famous the  
mission, the  
more valuable  
the item.
