Even though a mobile coffee business may be quite profitable, it requires some serious coffee brewing skills and excellent marketing platform to succeed. From deciding on the kind of vehicle you want to run, to the different locations you should park at to get most customers - every bit of your business must be carefully planned and handled.

~~To Consider)~~

Setting up a coffee shop isn't cheap. Start-up costs typically run from between £20,000 to £100,000 depending on the size, style and location of your coffee shop. Money will need to be spent on rent, rates, refit, furniture and fixtures, equipment, staff, food and drinks. It's easy to overspend on fitting out your coffee shop.

An excellent companion to this book would be

Read Online Start Run A Coffee Bar Start Run Business Series

The Complete Idiot's Guide to Starting and Running a Coffee Bar (The Complete Idiot's Guide), which is very much on the other end of the spectrum, focusing more on running a friendly and successful business, but with fewer specifics on the business plan and logistics involved. The two books together give a very complete set of information.
