mythology. Campbell believed that society often confuses the literal and metaphorical interpretations of religious stories and symbols. In this collection, he eloquently reestablishes these symbols as a means to enhance spiritual understanding and mystical revelation. With characteristic verve, he ranges from rich storytelling to

mass audience. His bestselling books, including *The Power of Myth* and *The Hero with a Thousand Faces*, are the rare blockbusters that are also scholarly classics.

While Campbell's work reached wide and deep as he covered the world's great mythological traditions, he never wrote a book on goddesses in world mythology. He

did, however, have much to say on the subject. Between 1972 and 1986 he gave over twenty lectures and workshops on goddesses, exploring the figures, functions, symbols, and themes of the feminine divine, following them through their transformations across cultures and epochs. In this provocative volume, editor Safron

Joseph Campbell made the power of story undeniable through the power of his own storytelling. Editor Evans Lansing Smith here collects Campbell writings on Arthurian legends that make events like Merlin ' s death and the Lady of the Lake retrieving Excalibur not just vibrant but also central to the mythologist ' s thinking.

Three cornerstones of Campbell 's celebrated scholarship are found here. The Arthurian myths opened the world of comparative mythology to Campbell, turning his attention to the Near and Far Eastern roots of myth. Calling the Arthurian myths the world ' s first “ secular mythology, ” Campbell found metaphors

Campbell famously compared mythology to a kangaroo pouch for the human mind and spirit: "a womb with a view." In *Myths to Live By*, he examines all of the ways in which myth supports and guides us, giving our lives meaning. Love and war, science and religion, East and West, inner space and outer space — Campbell shows how the
