The Dragon of Avalon is the 6th book in T. A. Barron ' s Merlin series. I would recommend this book for younger teens or tweens, as older teens might get bored with this book, because the plot might be a bit slow for their liking. This book was a quick read, it took me about 3 hours to read.

The Mists of Avalon is a 1983 historical fantasy novel by American writer Marion Zimmer Bradley, in which the author relates the Arthurian legends from the perspective of the female characters. The book follows the trajectory of Morgaine, a priestess fighting to save her Celtic religion in a country where Christianity threatens to destroy the pagan way of life. The epic is focused on the lives of Morgaine, Gwenhwyfar, Viviane, Morgause, Igraine and other women of the Arthurian legend. The Mists
