Our business was interested
in getting the benefits of
open book, employee owned
operations, without offering
employee ownership.

Following reading this book
I attended one of the Great
Game seminars. The concept
is great: make everyone with
a stake in the business an
owner.

Game is defined: The best,
most efficient, most

profitable way to operate a
business is to give
everybody in the company a
voice in saying how the
company is run and a stake
in the financial outcome,
good or bad. We show them
how to keep score and follow
the action

It's my own inferences based
on the Jack Stack's book:
The Great Game of Business.
It's a very inspiring book
about organizational
behavior. It has very
interesting insights about
how to motivate people in an
organization. This book will
help any manager become a
good leader.
