A classic guide to the life of service and meditation practiced by Buddhist monks. Walpola Rahula's *What the Buddha Taught* is a perennial backlist bestseller and has proven to be an indispensable guide to beginning Buddhism. It is renowned for its authoritative, clear, logical, and comprehensive approach. *The Heritage of the Bhikkhu* is a vivid account of the Buddhist's monk's role as a servant to people's needs as a follower and teacher of the basic Buddhist principles. In this fascinating and informative volume, the author emphasizes Buddhism as a practical doctrine for daily living and spiritual perfection and not simply a monastic discipline. *The Heritage of the Bhikkhu* is a pioneering work that deserves to stand with the author's earlier masterpiece.

A classic guide to the life of service and meditation practiced by Buddhist monks. Walpola Rahula's *What the Buddha Taught* is a perennial backlist bestseller and has proven to be an indispensable guide to beginning Buddhism. It is renowned for its authoritative, clear, logical, and comprehensive approach. *The Heritage of the Bhikkhu* is a vivid account of the Buddhist's monk's role as a servant to people's needs as a follower and teacher of the basic Buddhist principles. In this fascinating and informative volume, the author emphasizes Buddhism as a practical doctrine for daily living and spiritual perfection and not simply a monastic discipline. *The Heritage of the Bhikkhu* is a pioneering work that deserves to stand with the author's earlier masterpiece.

The works of the Buddha can feel vast, and it is sometimes difficult for even longtime students to know where to look, especially since the Buddha never explicitly defined the framework behind his teachings. Designed to provide just such a framework, *In the Buddha's Words* is an anthology of the Buddha's works that has been specifically compiled by a celebrated scholar and translator. For easy reference, the book is arrayed in ten thematic sections ranging from "The Human Condition" to "Mastering the Mind" to "The Planes of Realization." Each section comes with introductions, notes, and essays to help beginners and experts alike draw greater meaning from the Buddha's words. The book also features a general introduction by the author that fully lays out how and why he has arranged the Buddha's teachings in this volume. This thoughtful compilation is a valuable resource for both teachers and those who want to read the Buddha on their own.

This indispensable volume is a lucid and faithful account of the Buddha's teachings. "For years," says the *Journal of the Buddhist Society*, "the newcomer to Buddhism has lacked a simple and reliable introduction to the complexities of the subject. Dr. Rahula's *What the Buddha Taught* fills the need as only could be done by one having a firm grasp of the vast material to be sifted. It is a model of what a book should be that is addressed first of all to 'the educated and intelligent reader.' Authoritative and clear, logical and sober, this study is as comprehensive as it is masterly." This edition contains a selection of illustrative texts from the Suttas and the Dhammapada (specially translated by the author), sixteen illustrations, and a bibliography, glossary, and index.

This volume seeks to answer the question of how the Buddhist monks in today's Sri Lanka—given Buddhism's traditionally nonviolent philosophy—are able to participate in the fierce political violence of the Sinhalese against the Tamils.

This is the first comprehensive coverage of socially and politically engaged Buddhism in Asia, presenting the historical development and institutional forms of engaged Buddhism in the light of traditional Buddhist conceptions of morality, interdependence, and liberation.
