While many people find it difficult to express ideas and solve problems purely with words, they often find it much easier to use diagrams. Distilled into this single, handy-sized volume, the 5th anniversary edition of The Diagrams Book is a collection of 50 of the world's most useful diagrams used by consultants, academics, MBA students, and smart managers to aid their problem-solving and thinking. LID Publishing's popular Concise Advice Lab notebooks are designed to be quick and comprehensive brainstorming tools for busy professionals. The small trim size makes it easy to take along in a briefcase or purse. Interior pages are matte finish, so ink won't smear, and there's plenty of space to jot notes. A ribbon makes it easy to mark your place, and the elastic outer band keeps the notebook closed.

For those that love taking pictures, or having their picture taken, this book is a creative resource of possibilities. Get shooting. Whichever side of the camera you like to be on, this book will show you how - with some simple camera techniques and inexpensive items of wardrobe - you can revolutionize your portfolio. That's always been the mission of photographer Mark and presenter/model Imogen in their smash-hit YouTube channel WeeklyImogen, and their expertise has attracted 160,000 subscribers with well over a million views a month (and growing). In this book they'll turn the practical wisdom so popular with thousands of photographers worldwide into a simple and accessible guide. You won't need to spend a fortune on props, studios or equipment; photographers and models alike will quickly learn how to create an exciting, varied portfolio of fresh portrait photography.

From the Audrey to the Paris, the Top Down, or the Easy Breezy, there are 50 scarf styles in this book for any occasion or mood. Jaunty illustrations break down each step so stylists can wrap, loop, and get out the door looking perfectly polished. Teens, young professionals, and moms alike will love playing around with the looks, including unexpected belts, sarongs, and topknots. Vibrantly illustrated and packaged as a compact hardcover, 50 Ways to Wear a Scarf begs to be gifted with a scarf and displayed on a dresser, plus it's small enough to take scarf shopping. Tres chic !

This book will give people simple usable tools to improve and enrich their communication in 5 key areas, so they feel more confident and effective in meetings, presentations, interviews, social situations and can even have arguments more effectively

We can all be better in every aspect of our lives. Author Kevin Duncan has drawn together 50 ingenious thoughts to improve one's attitude, approach to life and work, questions, decisions, and even timing.

In 50 Ways to Understand Communication, Arthur Asa Berger familiarizes readers with important concepts written by leading communication and cultural theorists, such as Saussure, LZvi-Strauss, de Certeau, McLuhan, Postman, and many others. Organized in fifty short segments, this concise guide covers a wide range of important ideas from psychoanalysis and semiology to humor, 'otherness,' and nonverbal communication. Berger's clear explanations surround this assortment of influential writing. This engaging, accessible book is essential for students of communication and anyone interested in how we communicate in a world of rapidly changing media.

Ideas are the fuel of business - it only takes one good one to make a difference. Distilled into this single, handy-sized volume are 60 of the most useful diagrams and visual techniques, many of which are used by consultants, academics, MBA students, and smart managers globally to help them think of and create great ideas. Structured into five key parts (preparing to create ideas; generating ideas; generating more ideas; judging ideas; enacting ideas), the 60 diagrams are each visually presented and then explained in an accessible manner, including tips and advice on how you can apply them to your own situations.
