p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} Jack Campbell, the author behind the Lost Fleet novels, is now bringing his best-selling sci-fi series to comics. The Lost Fleet: Corsair features all the engaging character elements that have helped make the Lost Fleet novels such an incredible success - but this time, the series' epic space battles are brought to stunning life thanks to incredible visuals from Andrew Siregar (Sevara), complimented by color work by Sebastian Cheng (Orphan Black, The X-Files). Imprisoned by the Syndics, Michael Geary's one chance lies in Destina Aragon - determined commander of a regiment of hardened soldiers now caught up in a wide scale rebellion within Syndic space. Seeking to escape both their prison and Syndic space, will Geary and Aragon join forces to get home - or will the hatreds stirred by a decades-old war kill them both?

Admiral John "Black Jack" Geary may have saved the Alliance only to destroy it, in this thrilling and eagerly awaited continuation of the New York Times bestselling series. Geary believed in the Alliance. Even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved in secret programs and prison camps, he believed it was worth saving. And that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the Alliance to crumble. But after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system, Geary realizes that some have decided the easiest way to make the Alliance's problems go away is to get rid of him. He finds himself ordered to undertake a perilous new mission outside of the reaches of human-occupied space while the Senate clashes over the evidence. Geary's warships must escort a diplomatic and scientific mission across the dangerous, disintegrating remnants of the Syndicate Worlds empire. But even if he can make it to Midway Star System, the gateway to alien-controlled space, Geary will face former Syndicate officials who have rebelled and regard the Alliance with deep suspicion. And that will be the easy part. . . .

Long presumed dead, Geary miraculously returned from survival hibernation a century later, reluctantly taking command of the Alliance Fleet as it faced annihilation after a disastrous battle by Syndics. Thanks to a brave rearguard action by Black Jack's relation, Captain Michael Geary, the fleet escaped destruction - but Michael was captured and has been held prisoner by the Syndics, despite the end of the war between the Alliance and Syndics which should have seen him freed. Now, Michael Geary has struck a deal with Executive Destina Aragon, leader of the Tigres, who has rebelled against the Syndic, to help them capture a "Mobile Forces Unit" - a Syndic battleship - and help her troops get home.

Jack Campbell's Lost Fleet universe comes to comics! The century-long war between two space empires, the Alliance and the Syndics, has ended, but Captain Michael Geary, nephew of the legendary Alliance Commander John "Black Jack" Geary, believed MIA, is still a prisoner. Together with former enemy, Destina Aragon, desperate to escape to reach of a tyrannical government, can he help her rebellion succeed, live up to the legend coloring his family name - or will he die trying? Grievances must be put aside as a daring intergalactic jail-break becomes a battle for survival against the odds, in this gripping new comic series written by New York Times best-selling military science fiction author Jack Campbell, based on his novel series. "Bringing his celebrated book series to life in amazing visual fashion, Jack Campbell delivers a sci-fi masterpiece!" - Pastrami Nation "Fast-paced, with fast dialogue and visceral action!" - Sci-fi Pulse "Titan Comics has found itself a novel franchise that can be turned into comics in what appears to be a seamless transition." - Reading with a Flight Ring p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

Captain Michael Geary faces rebellion from Alliance Marines - just as his newly-captured ship, the Corsair, is about to be attacked by a deadly Syndic force. Can he convince his men to keep the peace with the rebel Tigres... and fight a one-sided battle that could see them all obliterated? Meanwhile, on the planet Kane another rebel force faces off against a massive Syndic invasion force, out to retake the planet...

Admiral Geary's First Fleet of the Alliance has survived the journey deep into unexplored interstellar space, a voyage that led to the discovery of new alien species, including a new enemy and a possible ally. Now Geary's mission is to ensure the safety of the Midway Star System, which has revolted against the Syndicate Worlds empire—an empire that is on the brink of collapse. To complicate matters further, Geary also needs to return safely to Alliance space not only with representatives of the Dancers, an alien species, but also with Invincible, a captured warship that could possibly be the

most valuable object in human history. Despite the peace treaty that Geary must adhere to at all costs, the Syndicate Worlds regime threatens to make the fleet's journey back grueling and perilous. And even if Geary escorts Invincible and the Dancers' representatives home unharmed, the Syndics' attempts to spread dissent and political unrest may have already sown the seeds of the Alliance's destruction...

-The New York Times bestselling author of The Lost Fleet series returns to the -strong saga-* of a rebellion against a totalitarian regime, and the determination of two people to create a better future in the farthest reaches of the colonized galaxy... The Syndicate Worlds continues to splinter as more star systems pledge allegiance to President Gwen Icení, General Artur Drakon, and the new government they're establishing at Midway. But the toxic legacy of Syndicate rule undermines their efforts as the rebels encounter difficulty trusting one another and believing their new leaders' promises of freedom from tyranny. Before Icení and Drakon can put their house in order, they must deal with another threat. An enigma warship has appeared and vanished near a Syndic colony. If the aliens are capable of jumping into other human-occupied star systems, then billions of people could be vulnerable to a hostile invasion fleet anywhere it chooses to strike. But an even greater liability lies with Icení and Drakon as a once-trusted adviser turned saboteur plans revenge..---

A young fleet officer and a Marine stand together to defend their colony in the continuation of the powerful and action-packed Genesis Fleet saga from New York Times bestselling author Jack Campbell. In the three years since former fleet officer Rob Geary and former Marine Mele Darcy led improvised forces to repel attacks on the newly settled world of Glenlyon, tensions have only gotten worse. When one of Glenlyon's warships is blown apart trying to break the blockade that has isolated the world from the rest of human-colonized space, only the destroyer Saber remains to defend it from another attack. Geary's decision to take Saber to the nearby star Kosatka to safeguard a diplomatic mission is a risky interpretation of his orders, to say the least. Kosatka has been fighting a growing threat from so-called rebels--who are actually soldiers from aggressive colonies. When a "peacekeeping force" carrying thousands of enemy soldiers arrives in Kosatka's star system, the people of that world, including Lochan Nakamura and former "Red" Carmen Ochoa, face an apparently hopeless battle to retain their freedom. It's said that the best defense is a good offense. But even if a bold and risky move succeeds, Geary and Darcy may not survive it...

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} Michael Geary starts to mould the combined rebel Tigres and his Alliance crew into a single unit, backed by Destina Aragon, but the peace between the two camps, fresh from a war fought for one hundred years, is not easily kept. Can they work together to save more Tigres from a another prison.. and is there any hope for the embattled people of the planet Kane, as the Syndics begin their invasion to retake the planet?
