Noted astrologer and spiritual teacher Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

The Pleiadians are moving into a new era. Through the opening of a new multidimensional timeframe, a pure light frequency has activated the sacred timing of an important aspect of their commitment to us as a human race. This is what the Pleiadians refer to as fulfilling the Promise that was set in place lifetimes ago. Now is the time for them to reveal to us as a human race the sacred aspects of who we are and what we need to do to become fully realized and fulfill our role on our Earth plane. The energy of this Promise holds the key to our further awakening and the unfolding of our self-realization process on a multidimensional level. This Promise activates the revelations of understanding and knowledge to be given to all those who are seekers of Truth--information that will help us to understand this transition and the role we need to play to fully open ourselves to our magnificence. A series of blessed revelations align you to a deeper natural aspect of your own humanness and spirituality. The Pleiadian Promise also includes six channeled audio files that give you a direct experience with the Pleiadians through multidimensional levels of light initiations.
