The Rising is the third book in the End Time series. It will not work well as a stand alone since it assumes you have read the first two books. This picks up pretty much right after the events of book two. Being the third book, it's hard to talk plot without spoiling the first two books.

Daniel Greene has hit a home-run with "The Rising" which continues the fast-paced action with edge of the seat suspense found in "End Time" and "The Breaking." "The Pastor" makes his debut in chapter one and reminded me of the cult leaders Jim Jones (Jonestown Massacre, 1978) and David Koresh (Branch Davidians, Waco Siege1993).

3/20/2017. The signs of the "End Times," also called "the end of the age," and the "Return of Christ" are clearly laid out in Scripture. All we need to do is look at what Christ said when he was asked that question. To summarize in advance, the signs of the end times will include the presence of false christs and false prophets, false teaching, war, persecution, apostasy, lawlessness, earthquakes, famine, plagues, increase in selfishness, denial of what is good, mocking of Jesus, an increase ...

The end time (also called end times, end of time, end of days, final days, doomsday, or eschaton) is a future described variously in the eschatologies of several world religions (both Abrahamic and non-Abrahamic), which teach that world events will reach a climax.

Indeed, perhaps the most widespread belief among Christians pondering the end-times is Rapture before Tribulation. According to this Pretribulation view, Christ will not let his bride, the multitude of believers, be ravaged through the seven years of worldwide calamity, tyranny and death, including the demonic rule of the Antichrist, who is predicted to force all humanity to worship him on pain of death.

What New Babylon Reveals to Us About the End Times What will the world look like in the last days? One significant clue the Bible offers is a fascinating look at New Babylon. More than one-tenth of the book of Revelation is devoted to prophecies about this city—the center of the antichrist's world government. But are we to understand these prophecies symbolically or literally? In New Babylon Rising, trusted prophecy expert Ron Rhodes offers insight into what God's Word tells us about the worldwide influence of New Babylon in the end times. Take a look at what prophetic Scripture says and discover the rampant paganism and evil that will mark this infamous city learn about the convergence and fulfillment of many ancient prophecies about the tribulation and second coming of Christ apprehend that God not only sees the future, but has determined how it will unfold As you explore the Bible's prophecies about the last days, you'll discover that no matter how uncertain the future looks, you can have peace knowing that God is in full control of all things.

End Times Empire Rising will challenge your current understanding about the End Times in a comprehensive and significant way. Many teachings about this critical period don't match current world events and are sharply at odds with the writings of some of the disciples of John the Apostle, who wrote the book of Revelation. End Times Empire Rising masterfully blends current real-world dynamics with early historical perspectives to give an exciting new vision of the End Times. For example, do you know what nations comprise the Antichrist's ten-nation kingdom? They're not the ones you might expect. Do you think you know what specific threat the Antichrist will be to Jews and Christians? What if this threat also includes danger to certain Muslim nations? From long-standing topics such as the timing of the rapture and the tribulation to the Antichrist's origins, this groundbreaking book focuses on Daniel, Revelation, and critical prophetic passages in Luke and 1 and 2 Thessalonians to prepare believers spiritually and practically for the coming days.

In China, an Army Is Rising... For years, China's population size, economic growth, and thirst for military power have taken center stage by those who study biblical prophecy. Most end-time experts have seen the "Red Dragon" as an aggressor to Israel. In Revelation 16 and 19, John's mention of the armies involved in the final battle marking the end of the world could well depict China's army today. However, a different kind of army is also rising in China, and it is quickly approaching two hundred million people. This army is for Christ, not against Him. It is a host of Christians from the Chinese underground house church who are fighting a battle against principalities and powers and spreading the gospel in unprecedented ways under intense persecution. These Christians are motivated by a powerful vision called "Back to Jerusalem." The Chinese church is quietly working to complete the Great Commission by bringing the gospel to unreached peoples in China's eastern provinces and to all the countries between the border of China and the city of Jerusalem. Yet there's even more to this fascinating development. What you read in this book may change your view of end-time prophecy. Back to Jerusalem is not just a missions movement of the Chinese church. It is an eschatological event confirmed by both the Old and New Testaments. God is using the Red Dragon to fulfill His ultimate purposes. China and End-Time Prophecy explores the surprising connection between ancient prophecy and China's modern missions phenomenon. This book will give you a new vision of what it means to go into all the world with the gospel. Most of all, it will show you why the completion of the Great Commission is inevitable and the return of Christ is unstoppable.

Steele's family home lies in burnt ruins on the shore of Lake Michigan. His group hunts for his missing mother in the apocalyptic wilderness filled with the dead. Instead he finds a group of refugees badly in need of his skills learned in the shadow war on terror, for they are persecuted at every step by the Chosen, a group of fanatics hell-bent on creating God's Kingdom in the rubble of society.Dr. Joseph Jackowski finds himself in a dangerous battle against both the deadly virus and the clock inside the bowels of the Cheyenne Mountain Complex. His team struggles as their own members fall victim to the virus in a race to discover a vaccine.Colonel Kinnick rushes his paltry forces into the rocky passes of Colorado to hold the dead off long enough for a vaccine to be found. If he fails, the Vice President will burn the entire Western Seaboard into the blazing inferno of a nuclear holocaust. With every fleeting moment, the whole world draws closer to being overcome by the virus. In the most epic installment of The End Time Saga yet, Daniel Greene brings the brutalized remainders of humanity even closer to the edge of defeat. Who will rise? The living or the dead?

God is building the body of Christ to be a powerful spiritual army on the earth to carry out his plans in these end-times. It is an army of believers totally sold out to God with undivided devotion and a determination to serve him with all their hearts. They have counted the cost of following Jesus and know that there is nothing greater in life than to do his will on earth. This is the army God is using to build his kingdom and display his glory on the earth. Each believer is chosen and called by God into this army. Question is how many will say yes to the calling. This book gives practical steps of how you can come into a place of intimate relationship with God to know him and trust him so you can surrender your life to him and step into your calling. Each chapter is a building block to build you up into Christ. You'll learn how to become Christlike in your walk and how to live as a citizen of the Kingdom of God. You will grow in your knowledge of the freedom you have in Christ so you can take that freedom to others and see lives transformed by the power of God. God will empower each believer in his army to become a mighty warrior to display his mighty power on the earth. If each believer makes the choice to say yes to God's call and purpose for their lives, this could be the greatest time for the body of Christ, and we'll see the glorious church of the Lord Jesus Christ rising up throughout the earth to demonstrate the power and the glory of our risen Savior.

A Revealing Look at the Signs of the End Times After decades of researching biblical prophecy, bestselling author Timothy Dailey warns that end-time events are closer than we realize. Connecting the dots between history, archeological findings, first-hand accounts, and Scripture, Dr. Dailey shows that malevolent forces are converging to trigger the end of human history. He reveals: · the hidden activity of Gog and Magog over the millennia · worldly portals opening for the Antichrist · counterfeit signs and wonders · and much more Yet under the shadow of the apocalypse, the world is witnessing an unprecedented spiritual revival and outpouring of the miraculous. It's time for us to read the signs and take a stand, knowing that Jesus has promised to be with us to the end of the age.

Almost 2700 years ago, the prophet Ezekiel detailed a massive end-times attack against Israel. The coalition he describes is still making headlines today. Bible scholar Ron Rhodes analyzes current events in the light of biblical prophecy and empowers readers to "interpret the signs of the times" (Matthew 16:3). This up-to-date assessment of the situation in the Middle East reveals vital information about... financial and political ties between the group of nations north of Israel Muslim leaders' growing antagonism toward Israel and the United States Iran's development of nuclear weapons and the resulting threat to global security the polarization of nations supporting extremist Islam and the rest of the world globalization and its role in setting the stage for a cataclysmic war Readers will grow in their confidence in God, for to Him, "the nations are like a drop in a bucket" (Isaiah 40:15).

Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

This revealing work examines an approach from ancient astronomy to what was then a particularly important question, namely that of understanding the relationship between the position in the ecliptic and the time it takes for a fixed-length of the ecliptic beginning at that point to rise above the eastern horizon. Schemes known as "rising time schemes" were used to give lengths of the celestial equator corresponding to each of the twelve zodiacal signs which make up the ecliptic. This book investigates the earliest known examples of these schemes which come from Babylonia and date to the mid to late first millennium BC. Making an important contribution to our knowledge of astronomy in the ancient world, this volume includes editions and translations of all of the known Babylonian rising time texts, including several texts that are identified for the first time. Through a close examination of the preserved texts it has been possible to reconstruct the complete Babylonian rising time scheme. This reconstruction is unprecedented in its completeness, and it is also now possible to situate the scheme within a genre of Babylonian astronomy known as schematic astronomy which presents theoretical descriptions of the astronomical phenomena. The unique discoveries and fresh explorations in this book will be of interest to historians of ancient astronomy, scholars of Babylonian history and those investigating the origins of scientific thought.
