Hedrick Smith has done what we all wish we could do: he has gone to Russia and spoken to the people. Over steaming samovars, in cramped flats, and on dirt-floors, he has spoken to peasants and bureaucrats, artists and officials. He has studied their customs and their governments and shares his fascinating insights and fresh perspectives with us.

Hedrick Smith - Wikipedia

I read Smith's first book: The Russians back in the early 1980's. Back then I was struck with his description of the huge under ground black market economy that was pervasive in the Soviet Union. He followed up with another well-written account of the the changing times under Gorbachev from the mid 1980's to 1990.
