This is a marvelously atmospheric tale of strangers summoned to a grand but neglected villa on the Italian coast. Each of them has been named in a will, but nobody knows their benefactress... Four very different people are named in a will: Delia, an opera singer robbed of her voice by illness; George, an idealistic scientist who cannot face what his skills have created; Marjorie, desperately poor and unable to dislodge her writer's block; and Lucius, ostensibly in control but whose personal life is in chaos. All are summoned to the Villa Dante, home of the late Beatrice Malaspina. But who was she? While they wait to find out, the villa begins to work its seductive magic. With its faded frescoes, overgrown garden and magnificent mediaeval tower, it is unlike anywhere they have been before. Slowly, four characters who have gone to great lengths to hide their troubles find that change - and even hope - is possible after all. But, the mysterious Beatrice has a devastating secret to reveal that will affect them all! A beautiful evocation of Italy in the aftermath of World War Two, the personal consequences of living through such a time, and a celebration of humankind's ability to heal and learn to love again, this most absorbing novel will win Elizabeth Edmondson a host of new fans.

Callie, a lonely small-town waitress, is still reeling from the discovery that she’s adopted when she arrives in Montevino, Italy in search of answers – the keys to the stunning hillside villa she has just inherited clutched tightly in her hand. Inside the rusted gates, and through a large wooden front door dripping with sun-kissed flowers, Callie can’t decide if she’s more astonished by her new home or her first encounter with the mysterious young groundskeeper, Tommaso. Wandering the villa barefoot at night, Callie finds a diary belonging to a woman named Elisa, wrapped in faded blue ribbon and hidden in her birthmother’s antique wardrobe. Page by page, Callie is swept away by its story of love, passion, heartbreak and betrayal as she reads how Elisa married her childhood sweetheart in secret before fleeing to the woods to join the resistance. They vowed to find each other again when the war was over, but history had other plans. Callie is certain that her and Elisa’s lives are somehow connected, and that the truth about her family is hidden somewhere within the diary’s crinkled yellow pages. France, 1940. The once glittering boulevards of Paris teem with spies, collaborators, and the Gestapo now that France has fallen to Hitler’s Wermacht. For André Breton, Max Ernst, Marc Chagall, Consuelo de Saint-Exupéry, and scores of other cultural elite who have been denounced as enemies of the Third Reich the fear of imminent arrest, deportation, and death defines their daily life. Their only salvation is the Villa Air-Bel, a château outside Marseille where a group of young people will go to extraordinary lengths to keep them alive. A powerfully told, meticulously researched true story filled with suspense, drama, and intrigue, Villa Air-Bel delves into a fascinating albeit hidden saga in our recent history. It is a remarkable account of how a diverse intelligentsia—intense, brilliant, and utterly terrified—was able to survive one of the darkest chapters of the twentieth century.
