Traction Man Meets Turbodog Synopsis. Traction Man is back! And so is Scrubbing Brush, his brave and rather bedraggled pet who stays by his side through thick and thin. But one night Scrubbing Brush mysteriously vanishes and in his place is the utterly hygienic Turbodog, in indestructible Purple Plastic with Flashing Eyes, Electronic Bark and three AA batteries.

Traction Man is back! And so is Scrubbing Brush, his brave pet. But one night Scrubbing Brush mysteriously vanishes and in his place is the utterly hygienic Turbodog, in indestructible Purple Plastic with Flashing Eyes, Electronic Bark and three AA batteries. But it's not the same without Scrubbing Brush. Where can he be? Traction Man sets out on his greatest rescue mission yet. Can he find Scrubbing Brush? And is there room in his life for two pets?

In this adorable Read & Listen edition, Traction Man—wearing combat boots, battle pants, and his warfare shirt—comes in a box, but very quickly finds the way into the imagination of his lucky boy owner. This superhero searches for the Lost Wreck of the Sieve as the boy makes a game of doing the dishes, and later in the bathtub, he conquers the Mysterious Toes that are stealing his pet, the brave little Scrubbing Brush. These are just a few of the action-packed adventures played out by the boy and his new toy that may not be able to leap tall buildings in a single bound, but can vanquish all manner of villains lurking around the house. Mini Grey's story in words and pictures is an irresistible invitation to the private world of a child's play. This ebook includes Read & Listen audio narration.

In this new and exciting Traction Man escapade, the can-do action toy and his faithful pet Scrubbing Brush are headed to the Wide Ocean. Adventure is on the horizon for our daring duo, along with new challenges—and new friends—to meet. There's a picnic to defend (a quiche to protect!), colossal waves, giant seaweed, elusive rockpool animals . . . and the lovely Beachtime Brenda. Mini Grey, winner of the Boston Globe-Horn Book Picture Book Award for Traction Man Is Here!, scores another victory for imaginative play. Sure to delight existing Traction Man fans and captivate new ones.

THAT SQUARE-JAWED CAN-DO action toy, Traction Man, is back in another hilarious adventure. The little boy, Traction Man, and his brave pet, Scrubbing Brush, are inseparable—until the boy's father throws the “unhygienic” Scrubbing Brush in the trash and replaces it with a “real” toy, the battery-operated TurboDog. It bleeps, speaks, and squeaks—but is not very smart. So Traction Man, wearing his airtight Astro-suit and armed with a bottle of SuperStrong Germs, enters the trash bin and rescues Scrubbing Brush from the Evil Bin Things (pizza crusts, spaghetti, and potato peels with eyes and mouths that hiss “Stay with us”). The Battle of the Bin is not to be missed—nor is the ignominious demise of TurboDog! With this satisfying sequel, Mini Grey has scored another smashing victory for imaginative play.

## Acces PDF Traction Man Meets Turbodog

Three friends, Dog, Cat, and Mouse, live happily—or so they think—in their beach hut by the sea until one night a mysterious Stranger, bearing gifts from the Winds of Change Trading Company, blows into their little world and turns it upside down. Soon Dog, Cat, and Mouse are fighting with each other. Is the foxy Stranger a troublemaker or does he mean well? And will Dog, Cat, and Mouse ever be happy again? Children will find this thought-provoking picture book of true friendship from award-winning Mini Grey, author of *Traction Man Is Here!* and *Traction Man Meets Turbodog*, deeply satisfying, a story they'll want to hear—and discuss—again and again.

Now for something completely different from Mini Grey! A mother hen tells her chicks about the egg that wanted to fly. “The egg was young. It didn’t know much. We tried to tell it, but of course it didn’t listen.” The egg loves looking up at the birds (yes, it has eyes). It climbs 303 steps (yes, it has legs) to the top of a very tall tower—and jumps. It feels an enormous egg rush. “Whee!” it cries. “I am flying!” But it is not flying, it is falling. Hold your tears, dear reader—there is a sunny ending for this modern-day Humpty Dumpty. Impossible to categorize, *Egg Drop* is Mini Grey at her zaniest.

A very silly (not-too-scary) story about losing a beloved toy. That summer night, the toys were left outside. . . . For the very first time, the Wonderdoll, the helpful wind-up robot, the thoughtful green dinosaur, and the rest of their plucky gang lie in the grass, gazing up at the stars. But one star seems brighter than the rest. As it grows bigger and bigger, the toys realize it may not be a star at all! Soon they're venturing into the unknown, traveling by spaceship, where they meet a lonely alien in need of help, and some friends. From ever-inventive, award-winning author-illustrator Mini Grey comes a hilarious and heartfelt new adventure: a motley group of toys left outside in the garden become true friends and brave heroes--in space!

When it comes to sorting out a Real Princess from a Fake Princess, the famous pea-under-the-mattress test is tried-and-true. But for those of you who may have wondered how anyone could feel a tiny garden-variety pea under the weight of twenty mattresses, this book will put that question to rest once and for all. This witty spoof was shortlisted for the prestigious Kate Greenaway Medal in the UK. It was Mini Grey's first book and a worthy predecessor to such favorites as *Traction Man is Here!*

A hilarious tale of two nursery-rhyme heroes on the run, from the award-winning creator of the *Traction Man* series! When the cow jumped over the moon, the dish ran away with the spoon . . . to seek fame and fortune in twentieth-century America. This is the never-before-told story of their exciting adventures out in the big world. How this famous nursery rhyme couple learns that crime doesn't pay—and love conquers all—is a treat for the whole family! Hand this to fans of Jon Scieszka and Lane Smith's *The True Story of the Three Little Pigs* or *The Stinky Cheese Man*. “This inventive tale of true love will sustain many re-readings by readers of all ages.” —Publishers Weekly, Starred Hey-diddle-delightful.” —Kirkus Reviews, Starred

Magic has been in a sad state in the Ununited Kingdom for years, but now it's finally on the rise, and boneheaded King Snodd IV knows it. If he succeeds at his plot, the very future of magic will be at risk! Sensible sixteen-year-old Jennifer Strange, acting manager of Kazam Mystical Arts Management and its unpredictable crew of sorcerers, has little chance against the king and his cronies—but there's no way Kazam will let go of the noble powers of magic without a fight. A suspenseful, satirical story of Quarkbeasts, trolls, and wizidrical crackle!
