Welcome To Wherever You Are

Welcome to Wherever You Are is a twisty suspense thriller set in a run down LA backpackers hostel, about a group of strangers all running away from their pasts. It's Marris' second novel, and the third of his that I've read - he's since become well known for writing The One, but I haven't read that yet; I picked it up for free from an Amazon promotion a while back.

BBC Radio 4 - Welcome to Wherever You Are, Pilot

Welcome to Wherever You Are is the eighth album by the Australian rock band INXS, which was released on 3 August 1992. With grunge and alternative music breaking into the mainstream, INXS tried to establish a new direction for itself, incorporating sitars, a 60-piece orchestra, and a much more "raw" sound to their music.

Welcome To Wherever You Are: Amazon.co.uk: Marris, John ...

AllMusic Review by Stephen Thomas Erlewine. Although INXS needed to experiment badly, their attempt at self-reinvention, *Welcome to Wherever You Are*, didn't even come close to gaining commercial or critical acceptance. From the start of the album, it's clear that INXS are out to confuse the standard perceptions of the band; the first instrument on the album is an Eastern-flavored horn.

Welcome To Wherever You Are

Welcome To Wherever You Are This is your life; you made it this far Welcome, you got to believe Right here, right now you're exactly where you're supposed to be Be who you want to be, be who you are. Everyone's a hero, everyone's a star When you want to give up and your heart's about to break Remember that you're perfect; God makes no mistakes

"The West Wing" Welcome to Wherever You Are (TV Episode ...

"Welcome to Wherever You Are" is a journey, both for the characters who have come quite a long way, both literally and figuratively, to wind up at the hostel, and for the readers who travel on an equally fascinating 400-page path to get to know them.

---

Welcome to Wherever You Are (Audio Download): Amazon.co.uk ...

"Welcome To Wherever You Are" was released right smack in the middle of grunge, not to mention all the hype surrounding U2's "Achtung Baby" at the time. Many bands who were popular in the 1980's were having a difficult time finding their footing during this time, as a certain sound was on its way out and a new sound was being ushered in.

---

Welcome To Wherever You Are: Amazon.co.uk: Music

referencing Welcome To Wherever You Are, CD, Album, Club, Eco, A2 82394. The opening track really sets the tone of the album. Introspective, sometimes sad, sometimes hopeful. The whole album is a bit slow and maybe a bit depressing. "Baby Don't Cry" and "Beautiful Girl" are my favorite tracks.
