Zero Zero Zero Saviano

Roberto Saviano is an Italian journalist and the author of several books including Zero Zero Zero and the international bestseller Gomorrah, which has sold over ten million copies in fifty languages worldwide. He has been living under police protection since October 2006, following threats received from the criminal organizations that he denounced.

Zero Zero Zero: Amazon.co.uk: Saviano, Roberto ...

Saviano's Zero ZeroZero is a book about cocaine and the Cartels that control the ebb and flow as well as subtle effects on the society at large. Saviano looks at the global cocaine trade, so the focus is on the global aspects instead of the local dealer. While the Cartels get most of the focus, there is a powerful chapter about drug mules. The polic

ZeroZeroZero by Roberto Saviano - Goodreads

Zero Zero Zero is perhaps the definitive text on the criminal cocaine industry. Saviano has produced a work which is all-encompassing. It starts in Mexico with a look at the cartels there and how they came into being, a story that is illustrated with continual sickening violence.

An analysis of the international cocaine trade and its less-understood role in the global economy explores its rules, armies and influence on everyday life, detailing the arrangements among leading cartels and the violent extent of their power.

“Zero zero zero” flour is the finest, whitest available. “Zero zero zero” is also the nickname among narco-traffickers for the purest, highest quality cocaine on the market. And it is the title of Roberto Saviano’s unforgettable exploration of how the cocaine trade knits the world into its dark economy and imposes its own vicious rules and moral codes on its armies and, through them, on us all. Saviano’s *Gomorra*, his explosive account of the Neapolitan mob, the Camorra, was a worldwide publishing sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four hour police protection in the shadow of death threats for more than seven years. During this time he has become intimate with law enforcement agencies around the world. Saviano has broadened his perspective to take in the entire global “corporate” entity that is the drug trade in cooperation with law enforcement officials, who have fed him information and sources and used him to guide their own thinking and tactics. Saviano has used this extraordinary access to feed his own groundbreaking reportage. The result is a truly amazing and harrowing synthesis of intimate literary narrative and geopolitical analysis of one of the most powerful dark forces in the global economy. In *Zero Zero Zero*, Saviano tracks the shift in the cocaine trade’s axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances, first with the Italian crime syndicates, then with the Russians, Africans, and others. On the one hand, he charts an astonishing increase in sophistication and diversification as these criminal entities diversify into many other products and markets. On the other, he reveals the threat of violence to protect and extend power and how the nature of the violence has grown steadily more appalling. Saviano is a journalist of rare courage and a thinker of impressive intellectual depth and moral imagination, able to see the connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. As heart racing as it is heady, *Zero Zero Zero* is a fusion of a variety of disparate genres into a brilliant new form that can only be called Savianoesque.

NOW A MAJOR SKY ATLANTIC SERIES From the international bestselling author of *Gomorra*, this searing exposé reveals how dirty money and the drug trade are at the heart of our lives, our economy, and our world. In many countries, ‘zero zero’ or double zero flour is the finest, best flour on the market. Among narco-traffickers, then, ‘zero zero zero’ is the nickname for the very purest, highest quality grade of cocaine. From Mexican cartels to Milanese financiers, Guatemalan mercenaries to Ukrainian warlords, Calabrian traffickers to the traders in Wall Street and London who wash the money clean, this is an unforgettable story that goes around the globe and through every level of society to show the extent to which the drug trade affects us all. Weaving together stories, interviews, wiretaps and his own experience of the criminal underworld, Saviano reveals an international narco-state, which, in the wake of the financial crisis, is now the pillar of our global economy. It is the perfect synthesis of modern capitalism, where everything is for the taking - and all is consumed, ruined and destroyed.

Scrivere di cocaina è come farne uso. Vuoi sempre più notizie, più informazioni, e quelle che trovi sono succulente, non ne puoi più fare a meno. Sei addicted. Anche quando sono riconducibili a uno schema generale che hai già capito, queste storie affasciano per i loro particolari. E ti si ficcano in testa, finché un’altra “incredibile, ma vera” prende il posto della precedente. Davanti vedi l’asticella dell’assuefazione che non fa che alzarsi e preghi di non andare mai in crisi di astinenza. Per questo continuo a raccoglierne fino alla nausea, più di quanto sarebbe necessario, senza riuscire a fermarmi. Sono fiammate che divampano accecanti. Assordanti pugni nello stomaco. Ma perché questo rumore lo sento solo io? Più scendo nei gironi imbiancati dalla coca, e più mi accorgo che la gente non sa. C’è un fiume che scorre sotto le grandi città, un fiume che nasce in Sudamerica, passa dall’Africa e si dirama ovunque. Uomini e donne passeggiano per via del Corso e per i boulevard parigini, siritrovano a Times

Square e camminano a testa bassa lungo i viali londinesi. Non sentono niente? Come fanno a sopportare tutto questo rumore?R.S.

From the international bestselling author of Gomorrah, this is a deeply personal and candid portrait of Italy today: a place of trafficking and toxic waste, where votes can be bought and sold, where organized crime ravages both north and south - yet also where many courageous individuals defy the system, and millions work tirelessly for a better future. 'Saviano is a blazingly vivid and courageous writer' Independent 'A national hero' Umberto Eco 'Saviano has an astonishing ability to write luminously yet subtly about terrible things' Le Parisien 'Brave and passionate' Guardian 'One of the world's finest investigative journalists' GQ

Roberto Saviano returns to the streets of Naples and the boy bosses who run them in *Savage Kiss*, the hotly anticipated follow-up to *The Piranhas*, the bestselling novel and major motion picture. Nicolas Fiorillo and his gang of children—his *paranza*—control the squares of Forcella after their rapid rise to power. But it isn't easy being at the top. Now that the *Piranhas* have power in the city, Nicolas must undermine the old families of the Camorra and remain united among themselves. Every *paranzino* has his own vendettas and dreams to pursue—dreams that might go beyond the laws of the gang. A new war may be about to break out in this city of cutthroat bargaining, ruthless betrayal, and brutal revenge. Saviano continues the story of the disillusioned boys of Forcella, the *paranzini* ready to give and receive kisses that leave a taste of blood. Saviano's *Gomorrah* was a worldwide sensation, and *The Piranhas*, called "raw and shocking" by *The New York Times Book Review*, captured readers with its tale of raw criminal ambition, told with "openhearted rashness" (Elena Ferrante). *Savage Kiss*, which again draws on the skills of translator Antony Shugaar, is the latest thrilling installment from the brilliant Italian novelist.

In *Gomorrah*, a *New York Times Book Review* Notable Book of the Year, Roberto Saviano revealed a true, devastating portrait of Naples, Italy under the rule of the Camorra, a crime organization more powerful and violent than the Mafia. In *The Piranhas*, the international bestselling author returns to his home city with a novel of gang warfare and a young man's dark desire to rise to the top of Naples's underworld. Nicolas Fiorillo is a brilliant and ambitious fifteen-year-old from the slums of Naples, eager to make his mark and to acquire power and the money that comes with it. With nine friends, he sets out to create a new *paranza*, or gang. Together they roam the streets on their motorscooters, learning how to break into the network of small-time hoodlums that controls drug-dealing and petty crime in the city. They learn to cheat and to steal, to shoot semiautomatic pistols and AK-47s. Slowly they begin to wrest control of the neighborhoods from enemy gangs while making alliances with failing old bosses. Nicolas's strategic brilliance is prodigious, and his cohorts' rapid rise and envelopment in the ensuing maelstrom of violence and death is riveting and impossible to turn away from. In *The Piranhas*, Roberto Saviano imagines the lurid glamour of Nicolas's story with all the vividness and insight that made *Gomorrah* a worldwide sensation. "With the openhearted rashness that belongs to every true writer, Saviano returns to tell the story of the fierce and grieving heart of Naples." —Elena Ferrante

A groundbreaking major bestseller in Italy, *Gomorrah* is Roberto Saviano's gripping nonfiction account of the decline of Naples under the rule of the Camorra, an organized crime network with a large international reach and stakes in construction, high fashion, illicit drugs, and toxic-waste disposal. Known by insiders as "the System," the Camorra affects cities and villages along the Neapolitan coast, and is the deciding factor in why Campania, for instance, has the highest murder rate in all of Europe and why cancer levels there have skyrocketed in recent years. Saviano tells of huge cargoes of Chinese goods that are shipped to Naples and then quickly distributed unchecked across Europe. He investigates the Camorra's control of thousands of Chinese factories contracted to manufacture fashion goods, legally and illegally, for distribution around the world, and relates the chilling details of how the abusive

Download Ebook Zero Zero Zero Saviano

handling of toxic waste is causing devastating pollution not only for Naples but also China and Somalia. In pursuit of his subject, Saviano worked as an assistant at a Chinese textile manufacturer, a waiter at a Camorra wedding, and on a construction site. A native of the region, he recalls seeing his first murder at the age of fourteen, and how his own father, a doctor, suffered a brutal beating for trying to aid an eighteen-year-old victim who had been left for dead in the street. Gomorrah is a bold and important work of investigative writing that holds global significance, one heroic young man's impassioned story of a place under the rule of a murderous organization.

A leading thinker on Canada's place in the world contends that our country's greatest untapped resource may be the three million Canadians who don't live here. Entrepreneurs, educators, humanitarians: an entire province's worth of Canadian citizens live outside Canada. Some will return, others won't. But what they all share is the ability, and often the desire, to export Canadian values to a world sorely in need of them. And to act as ambassadors for Canada in industries and societies where diplomatic efforts find little traction. Surely a country with people as diverse as Canada's ought to plug itself into every corner of the globe. We don't, and sometimes not even when our expats are eager to help. Failing to put this desire to work, contends bestselling author and longtime foreign correspondent John Stackhouse, is a grave error for a small country whose voice is getting lost behind developing nations of rapidly increasing influence. The soft power we once boasted is getting softer, but we have an unparalleled resource, if we choose to use it. To ensure Canada's place in the world, Stackhouse argues in Planet Canada, we need this exceptional province of expats and their special claim on the twenty-first century.

A massive bestseller in its native Italy, and a book that can justly be compared with Roberto Saviano's Gomorrah, Blood Ties is a terrifying account of the 'ndrangheta's criminal activities over the last four decades. Originally from Calabria, this sinister organization has - like the Mafia in Sicily and the Camorra in Naples - a vicious hold over northern Italy and much of the rest of the country, too, a stranglehold that is growing every day. Told to the authors by an insider, Pippo di Bella, a 'pentito', a former member of the gang now turned state's evidence, it reveals many hitherto unknown operations, as well as throwing new light on well-known cases from the past. It shows an organization which retains and strengthens its position through corruption, drug smuggling, gun running, violence, extortion and kidnapping. Visceral, compelling and terrifyingly readable, it paints a brutally vivid picture of the most dangerous and powerful of the Italian mafias, one which demands to be read.
